His Honor
The Mayor of Detroit
Detroit, Michigan

Dear Sir:

I beg to acknowledge receipt of the package sent me from your office a few days ago, containing a copy of the splendid medal struck by your City for the families of those who have given themselves in the world war, together with the ring which accompanied it. Thank you very much indeed. We are very glad to have both of these gifts. The medal is very beautiful, and I think you and your City, if you will permit me to say so, are to be congratulated upon having secured an artistic memorial rather than one of the commercial kind which is being all too frequently issued by the other municipalities of our country.

Very respectfully yours,

Secretary.
